Introduction

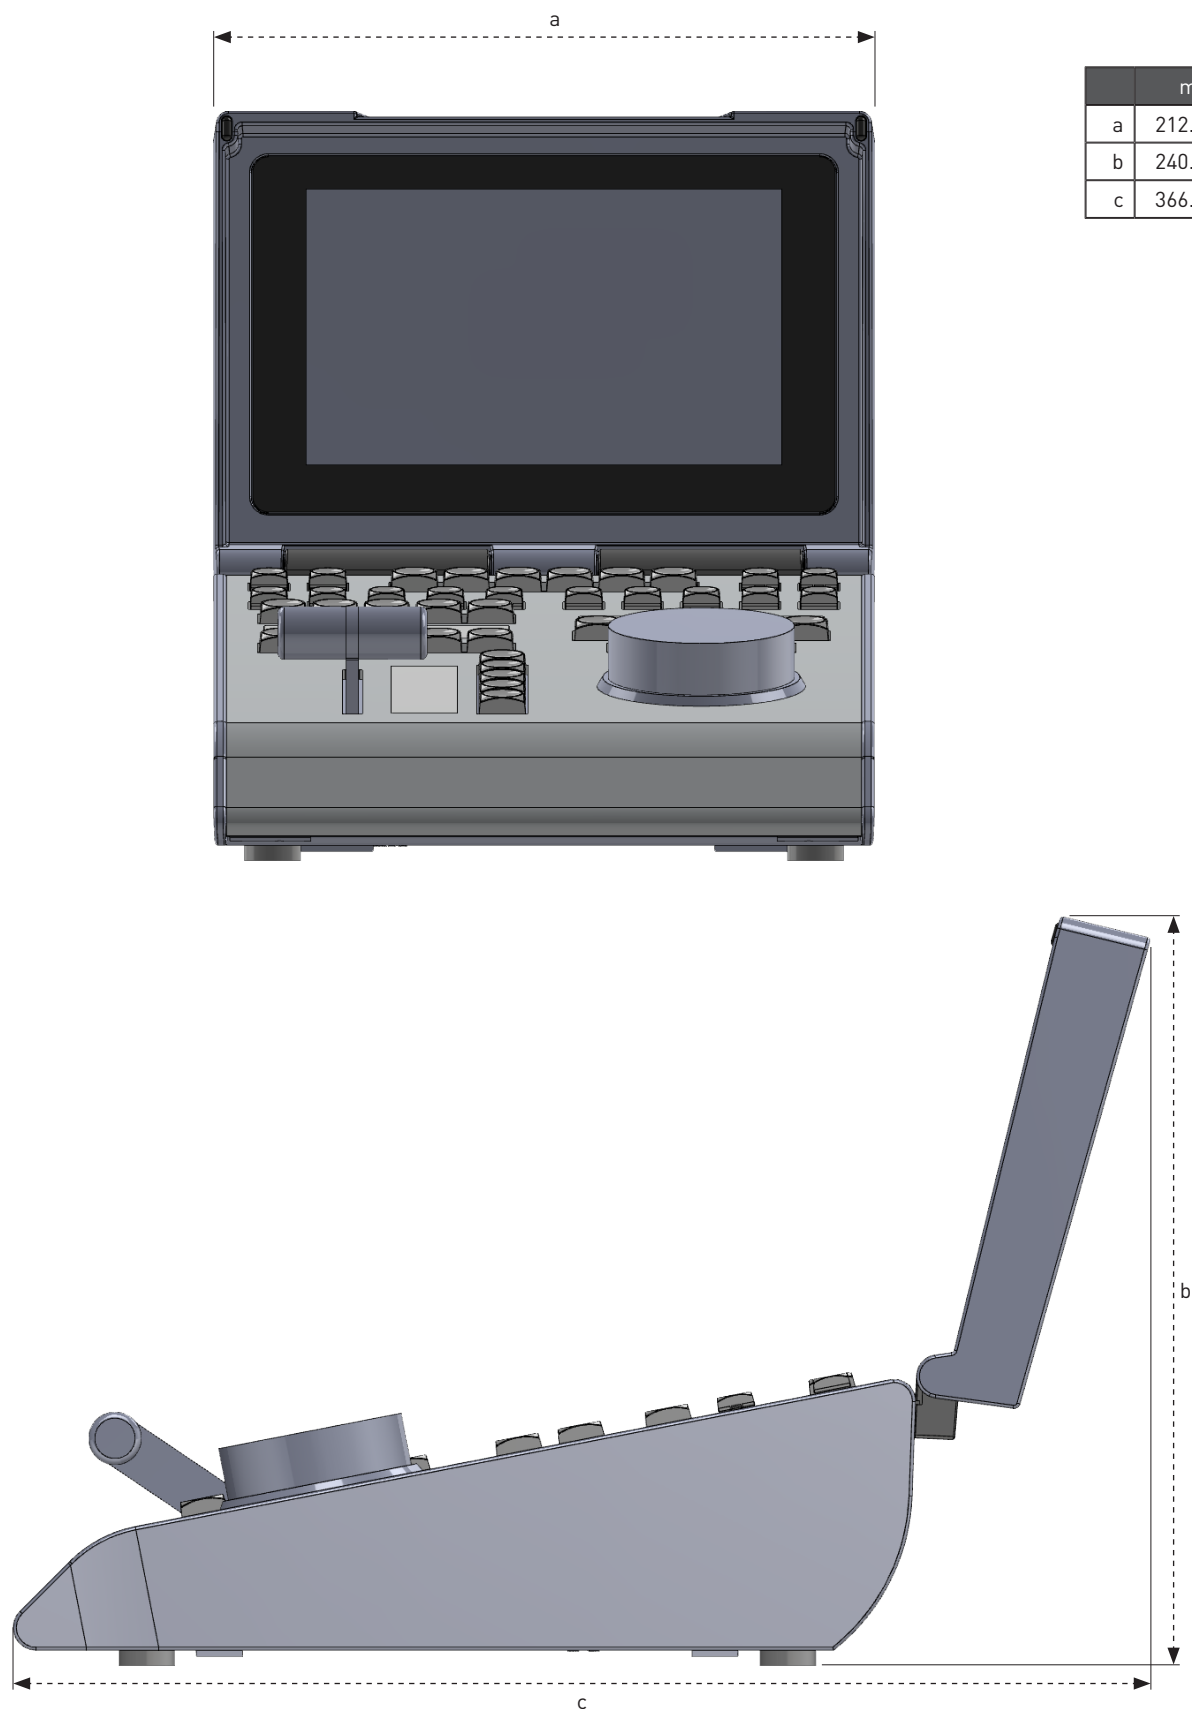

This technical document provides an overview on the different hardware configurations, a brief description of the connectors.

Commercial References

▣ **RCU-VIA** : Remote LSM-VIA

Chassis Dimensions

	mm	in
a	212.00	8.35
b	240.00	9.45
c	366.00	14.40

Power Supply

The power supply^(a) is redundant^(b) and hot-swappable^(c).

Specifications :

AC input : 100-240V, 50-60Hz, 0.7-0.25A

DC output : 70W

Hardware

CPU : Arm Cortex A9 Dual core

RAM : 1 GB

I/Os

4x USB 2.0 ports

1x Gigabit Ethernet port (RJ45)

1x HDMI port

1x 3.5mm headphones jack

1x Reset button

1x Factory reset button
