

RGB Tools Release Notes

June 17, 2009

About RGB Tools Installation

Thank you for purchasing RGB Tools. There are two versions of RGB tools on the installation disk:

- RGBTools_Lyric7.x_6.2_0_17Dec2008.exe for use with Lyric/Lyric PRO 7.
- RGBTools_Lyric 5.2_Jul252005_4.1.1.EXE for use with Lyric/Lyric PRO 6.5 and earlier.

Please follow carefully the installation instructions in the User Guide.

Please note the following:

- If using more than one version of Lyric/Lyric PRO on a system, the appropriate version of RGB Tools must be installed for each version of Lyric/Lyric PRO.
- There are slight operational differences depending on the version of Lyric/Lyric PRO in use. These are outlined in the appropriate sections of the User Guide.

Known Issues

Missing Software License Agreement

During the installation of the version of RGB Tools that should be installed for use with Lyric/Lyric PRO 6 and earlier (RGBTools_Lyric 5.2_Jul252005_4.1.1.EXE), a dialog is displayed that requests that the user accept the Software License Agreement. Due to a bug, the Software License Agreement itself is not displayed in the dialog. When this point in the installation is reached, please read the Software License Agreement below and then click the **Yes** button to continue the installation.

SOFTWARE LICENSE AGREEMENT

THIS SOFTWARE LICENSE AGREEMENT (the "Agreement") is being entered into as of the date of purchase. The parties to this Agreement are Chyron Corporation, a New York Corporation ("Chyron"), and the registered user, "Licensee". This Agreement is a legal agreement between Licensee and Chyron for the software identified on the packing list, which includes computer software and associated media and printed materials (if any) (collectively, the "Software"). BY INSTALLING, COPYING OR OTHERWISE USING THE SOFTWARE, LICENSEE AGREES TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF LICENSEE DOES NOT AGREE TO THE TERMS OF THIS AGREEMENT, LICENSEE IS NOT AUTHORIZED TO USE THE SOFTWARE. The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

1. License.

(a) Grant of License. Subject to the terms and conditions contained herein, Chyron grants to the Licensee and Licensee accepts from Chyron a non-exclusive, worldwide license to use the Software. Licensee acknowledges that no right to use, print, copy or display the Software, in whole or in part, is granted hereby except as expressly provided in this Agreement.

(b) Permitted Uses and Restrictions. This License allows Licensee to use the Software on a single computer at a time, and to make one copy of the Software in machine-readable form for backup purposes only. The backup copy must include all copyright information contained in the original. Licensee may transfer the Software on a permanent basis to another person or entity, provided that

(i) Licensee gives prior written notice of such transfer to Chyron,

(ii) Licensee retains no copies of the Software and

(iii) the transferee agrees in writing to be bound by the terms of this Agreement. Licensee may not:

(i) distribute copies of the Software to any customers or third parties,

(ii) reverse engineer, decompile, disassemble, modify or translate the Software or make any attempt to discover the source code of the Software or create derivative works from the Software,

(iii) rent or lease the Software, or

(iv) use a previous version or copy of the Software after Licensee has received an upgraded version of the Software as a replacement of the prior version.

(c) Ownership. By virtue of this Agreement, Licensee acquires only the right to use the Software and does not obtain any rights of ownership. All right, title, and interest in and to the Software and in all patent, copyright, trademark, and other proprietary rights therein shall remain the sole property of Chyron.

2. Licensee's Responsibilities. Licensee shall be exclusively responsible for the supervision, management and control of its use of the Software, and it will:

(i) hold the Software in strict confidence;

(ii) limit access to the Software to only those who need access with respect to Licensee's use of the Software in connection with Licensee's business; and

(iii) implement procedures sufficient to satisfy its obligations for security under this Agreement (which shall include appropriate action between it and its employees to prevent misuse, unauthorized copying, modification, or disclosure).

3. (a) No Warranty. Any use of the Software is at Licensee's own risk. The Software is provided "AS IS." To the maximum extent permitted by applicable law, Chyron and its suppliers disclaim all warranties and conditions, either express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, and noninfringement. Chyron does not warrant that the functions contained in the Software will meet Licensee's requirements, that the operation of the Software will be uninterrupted or error-free, or that defects in the Software will be corrected. In addition, no oral or written information or advice given by Chyron shall create a warranty or in any way increase the scope of this warranty. CHYRON MAKES AND LICENSEE RECEIVES NO WARRANTY EXPRESS OR IMPLIED AND THERE ARE EXPRESSLY EXCLUDED ALL WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT OF THIRD PARTY RIGHTS.

(b) No Liability For Consequential Damages. To the maximum extent permitted by applicable law, in no event shall Chyron or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the Software, even if Chyron has been advised of the possibility of such damages. CHYRON SHALL HAVE NO LIABILITY WITH RESPECT TO ITS OBLIGATIONS UNDER THIS AGREEMENT FOR CONSEQUENTIAL, EXEMPLARY OR INCIDENTAL DAMAGES EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(c) Limitation of Liability. Chyron's entire liability and Licensee's exclusive remedy under this Agreement shall not exceed 2 dollars (US \$2.00).

4. Term and Termination. This Agreement shall continue in effect until there is a breach by the Licensee of this Agreement or any other agreement related to the purchase or lease of the Software or product using the Software. In the event of such breach by the Licensee this Agreement shall immediately terminate. Upon termination of this Agreement, Licensee shall promptly turn over to Chyron the Software and all disks, tapes, printed material, drawings, notes, memoranda, or other tangible embodiments relating thereto (collectively, the "Materials"). In the alternative, Chyron may consent to the Licensee's destruction of the Materials. The Licensee shall provide to Chyron, within five (5) days of the termination date, a written certification from the Licensee certifying that it has either destroyed or returned the Materials.

5. Miscellaneous.

(a) Entire Agreement. Licensee acknowledges that it has read this Agreement (including the attached Schedule), understands it, and agrees to be bound by its terms. The parties agree that this is the complete and exclusive statement of the agreement between them, which supersedes and merges all prior proposals, understandings, and all other agreements, oral and written, between the parties relating to this Agreement. This Agreement may not be modified or altered except by written instrument duly executed by both parties.

(b) Choice of Law. This Agreement and the performance hereunder shall be governed by the laws of the State of New York.

(c) Limitation on Actions. No action, regardless of form, arising out of this Agreement may be brought by Licensee more than two years after the cause of action has arisen.

(d) Equitable Relief. Licensee hereby acknowledges that unauthorized disclosure or use of the Software will cause irreparable harm and significant injury to Chyron that may be difficult to ascertain. Accordingly, Licensee agrees that Chyron will have the right to obtain immediate injunctive relief to enforce obligations under this Agreement in addition to any other rights and remedies it may have.

(e) Severability. If any provision of this Agreement is invalid under any applicable statute or rule of law, it is to that extent to be deemed omitted.

(f) Non-Assignability. The Licensee may not assign or sub-license, without the prior written consent of Chyron, its rights, duties or obligations under this Agreement to any person or entity.

(g) Expenses. Chyron shall have the right to collect from Licensee its reasonable expenses incurred in enforcing this Agreement including reasonable attorney's fees.

(h) Waiver. The waiver or failure of any party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further right hereunder.

Invoking RGB Tools from the Lyric 7 Tools Menu

In the version of RGB Tools used with Lyric/Lyric PRO 7 (RGBTools_Lyric7.x_6.2_0_17Dec2008.exe), one cannot apply RGB Tools effects to the selected graphic when RGB Tools is launched from the Lyric Tools menu, even though the interface is displayed.

To properly launch RGB Tools, select the graphic to be modified, and then right-click to open the RGB Tools interface.
